I hereby apply for a fire line for the above-referenced property. I understand that this application is subject to approval by AMWC. I agree to use the fire line and pay all rates and charges for the fire line in accordance with the rates, rules, and regulations of AMWC.

I understand and agree that AMWC will make all connections to the existing water main and install the fire line from the water main edge of right-of-way or back of sidewalk. I understand and agree that AMWC will provide me with an estimate for this installation work and agree to pay a deposit for the work before the fire line is installed. I understand and agree that AMWC will bill me or reimburse me for the difference between the deposit amount and the actual cost incurred by AMWC to install the fire line.

I understand and agree that AMWC's maintenance responsibility for the fire line ends at the tapping valve on the water main.

I represent and warrant that I am authorized to sign this application and agree to defend, indemnify, and hold Atascadero Mutual Water Company harmless from and against any and all claims, actions, demands, liabilities, damages, settlements, costs, fees and expenses, including reasonable attorney and expert witness fees and expenses, arising out of or related to any breach or claimed breach of this representation and warranty.
