

1.4.3 Service Installation Fee (BP)

January 8, 1992

_____ Approved

POLICY

A "Service Installation Fee" will be charged for any new service installed. Service Installation Fees shall be deposited in the general fund. Service Installation Fees shall be reviewed annually.

PURPOSE

The "Service Installation Fee" is intended to reimburse AMWC for the cost of the installation of a new service including all materials, equipment, and labor for a tap, saddle, line, meter box, fittings, and meter.

BACKGROUND

When new AMWC users apply for service they are charged for the estimated actual cost of installing a metered service.
